### Testimonial From 2025

"The Cresilon team (TRAUMAGEL) had a fantastic experience exhibiting at the 2025 Wellstar Trauma Symposium - the energy was high, and the attendees were genuinely engaged and interested in learning about new solutions. The event was well-organized, the venue at the home of the Atlanta Braves was amazing, and we appreciated the opportunity to connect with both potential customers and industry peers. We're already looking forward to next year!" -John Luttati, Senior Director of Marketing, Cresilon Inc.
